

BIG FOUR R. R. MUSEUM TRAIN HERE FRIDAY

ONE HUNDRED YEARS OF RAILWAY PROGRESS IS SHOWN IN DISPLAY TO BE EXHIBITED IN SPECIAL COACHES—MOVIES WILL SHOW RAILROAD OPERATIONS IN BIG SHIPPING CENTERS

The history of the American railroad for the past 100 years will be clearly shown in the railway exhibit by the Big Four railroad to be shown from 8 o'clock Friday morning, October 12 to 2 o'clock that afternoon, on a special train, on the Big Four Switch tracks between Jackson and Madison streets. There will be no charge of admission.

Most interesting is the exhibit. It shows the history of railroad progress in the United States for the past 100 years. In the exhibit you may see Engine 8,000, Latest Type of Mikado; Engine "999" Holder of World's Speed Record; DeWitt Clinton of 1831, New York's First Train; Famous Warther Working Engine Models and Movies Showing Rail Operations.

GREENCASTLE WOMEN NAMED

Martinsville, Ind., October 6.—The annual meeting of the district Woman's Foreign Missionary Society of the M. E. church closed Friday evening after a two-day convention, in the M. E. church here. Bedford was selected as the meeting place next year.

The following officers were elected: President, Mrs. Bessie Strain, Gosport; group leaders, Mrs. Anna Dean, Gosport; Mrs. Jennie Badger, Greencastle; Mrs. Polhemus, Brooklyn; Mrs. Morgan, Mitchell; recording secretary, Mrs. George H. Murphy, Bloomington, corresponding secretary Mrs. E. D. Farmer, Bloomington, treasurer, Mrs. Lola Johnson, Bloomfield; superintendent Standard Bearers, Mrs. E. L. Hutchens, Mooresville; superintendent children's work, Mrs. Theodore Crawley, Greencastle; extension secretary, Mrs. Gladys Badger, Bloomington; titling secretary, Mrs. Cora Smith, Greencastle.

Three foreign missionaries—Miss Myrtle Wilson, of Africa; Miss Belle Overman, of Korea, and Mrs. R. D. Wellons, of India—spoke on the work in their fields.

LITTLE BRAZIL GIRL DIES FROM AUTOMOBILE HURT

BRAZIL, Ind., Oct. 8.—Josephine Brown, 10-year-old daughter of Sanford Brown of west of the city, who was injured yesterday when struck by an automobile driven by Arthur Henderson of Staunton on the National road in front of her home, died at the Community hospital this morning of fracture of the skull.

This was the second accident of the kind within a few hundred feet on the National road west of the city within twenty-four hours. Jacob Albertson, 75 years old, residing in the same vicinity having been hit by Sidney Schraff of Clinton and is lying in a critical condition at the Community Hospital.

Chief of Police Frank Moore is investigating the Brown accident. Young Henderson claims that the child stepped out from behind a load of hay and started across the National road just in front of his machine and that it was impossible for him to avoid hitting her.

ROTARY DAY WILL BE ORIENTAL DAY THIS WEEK

The Rotary Club will have as its guests next Wednesday noon, William Lockwood of Shanghai, China, who is the recipient of a \$500.00 scholarship prize awarded by the Shanghai Rotary Club for the best all round boy in the American School in Shanghai. He will say a few words to us about Shanghai.

The speaker of the day will be Dr. Dji Hian Jap, a senior Chinese student in DePauw. He will speak to us on the business life in Singapore.

WILL TELL OF CONDITIONS IN STRICKEN RUSSIA

BISHOP EDGAR BLAKE, OF THE MEDITERRANEAN AREA OF THE METHODIST CHURCH, WITH RESIDENCE IN PARIS, FRANCE HAS RECENTLY RETURNED FROM RUSSIA

Bishop Edgar Blake of the Mediterranean area of the Methodist Episcopal church with residence in Paris France, who recently has returned from an extended tour of Russia, during which he investigated conditions in that stricken country, and who now is in the United States, to tell of conditions as he found them, will deliver an address in Metcalf Hall, DePauw University, at 7 o'clock Tuesday evening, to which the public is cordially invited.

Bishop Blake will have an interesting message for the people of Greencastle and community and a large audience should hear his address.

MONTGOMERY EX-OFFICIAL GETS SUSPENDED SENTENCE

CRAWFORDSVILLE, Ind., Oct. 8.—Harry T. Stout of this city, ex-treasurer of Montgomery county was fined \$500 and sentenced to the state prison for one to twenty years by Judge Jerome West in Circuit Court here today.

The charge, to which he plead guilty, was failure to deposit public funds according to law. Stout faced two other charges, embezzlement and misappropriation but these were dropped. The sum involved was about \$10,000, which has been made good by Stout and his friends.

Upon the testimony of character witnesses, prominent local citizens, the prison sentence was suspended.

FARMER CRUSHED UNDER HEAVY BED OF WAGON

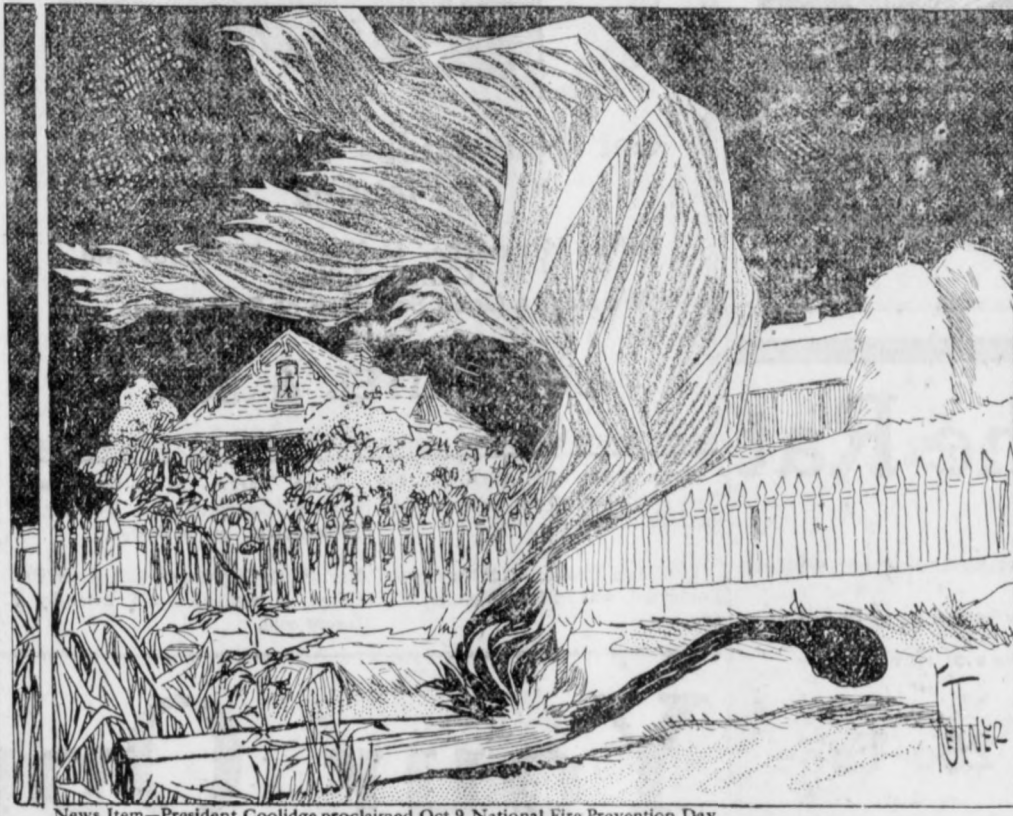

ANDERSON, Ind., Oct. 8.—Alfred Spall, 56 years old, former Madison county farmer, was instantly killed early today at the farm of John Miller, a neighbor, when a wagon bed fell on his head. Spall had hoisted the wagon bed with chains, to use the trucks for hauling logs. The chain broke and the wagon fell on the farmers head crushing the skull. The body was taken to Middletown, southeast of here.

Henry Beaman, a farmer who lives near Coatsville, who suffered a compound fracture of his left thumb Sunday, when his thumb became entangled in a rope with which he was attempting to lead cow. He was brought to the office of Dr. C. C. Tucker by Dr. O'Brien of Coatsville at nine o'clock Monday evening and his thumb amputated.

Mr. and Mrs. A. J. Knoll and son Joe and Miss Mildred Shamel of Camden, Indiana who were the week end guests of Mr. and Mrs. A. J. Knoll have returned home.

Mrs. Evelyn Riley Nicholson, wife of Bishop Nicholson, of Chicago, who has been visiting her parents Rev. and Mrs. A. T. Riley 2 E. Hanna Stree, will return to her home today. Ralph Knoll, county auditor who recently was operated upon for an abdominal trouble in the St. Vincent's Hospital in Indianapolis, returned to Indianapolis Tuesday for a second operation.

The Fire Hazard

News Item—President Coolidge proclaimed Oct. 9 National Fire Prevention Day

BRAZIL ELKS COMING FOR SUNDAY GAME

GREENCASTLE SPECIALS WILL CLOSE SEASON AT ZINC MILL DIAMOND WHEN THEY WILL PLAY THIRD GAME WITH CLAY COUNTY AGGREGATION—BIG JAM FOLLOWED RECENT GAME IN BRAZIL

The biggest game of the season for the Greencastle Specials will close the local baseball season next Sunday when the Brazil Elks team, which already has defeated Greencastle in two games this season, will come to Greencastle to meet the home boys on their home lot.

A recent game between the two teams, played in Brazil a week ago, Sunday, almost ended in a riot, when Brazil, with the score 5 to 2 against it, won the game in the last half of the ninth inning.

Much discussion arose over the result of this game. Some of the Greencastle fans contended the decisions of the umpire favored the Brazil team, and one local fan got so incensed that he attempted to strike the umpire.

The teams will play the same lineup as played in the Brazil game, except Clay will catch for Greencastle instead of Huskey and Brazil will have a different man on second base.

William Baney, Superintendent of Midwest Crushed Stone Quarries, who has been ill of heart trouble for some time is some what improved Mr Baney is up in a chair today for the first time in six weeks.

While returning from Illinois in her Buick Coupe, Sunday afternoon, Miss Mildred Dimmick instructor of French in DePauw was in a collision between Greencastle and Crawfordsville, in which the side of her car was badly damaged. The collision occurred shortly after 7 o'clock. Miss Dimmick was able to drive the car on to Greencastle.

Another landmark in Greencastle, a house said to have been erected in 1854 will soon make way for additional tracks to be installed by the Monon railroad. The old house which will be razed is the old Sage hotel standing opposite the Monon station. The older citizens say it was erected in 1854. It has 15 rooms and was one of the big places in the town in its day.

Harold Knoll who is employed in Gary, Indiana spent the week end with his parents, Mr. and Mrs. A. J. Knoll who reside on north Madison Street.

Mr. and Mrs. Henry Qualkenbush of Brazil were Sunday guests of Mrs. R. A. Lawton.

STATE POULTRY MEETING AT PURDUE, OCT. 17-18

LAFAYETTE, Ind., Oct. 5.—Poultrymen of Indiana should mark down October 17 and 18, Wednesday and Thursday, as the time of the big annual poultry round-up at Purdue University, Lafayette, Indiana, according to the announcements recently issued by the Indiana State Poultry Association. This meeting, while an association affair, is an educational meeting to which all Hoosier poultry raisers are invited.

The program will open at 10:00 a. m., October 17 with a laboratory on judging hens for egg production. This work will be given by Prof. A. G. Phillips, using trap nested hens from the Purdue poultry farm. It will be more than culling demonstration, as egg production of pullets and breeding qualities of males will be considered.

In the afternoon L. P. Doyle of the Purdue Veterinary Department will demonstrate the methods of making the tests for Bacillary White Diarrhoea of chicks. This test was used on many flocks over the state last year and results will be reported by those who have actually tried it out.

The feature of the first night meeting will be the Baby Chick Supper-Conference, with Harry R. Lewis, president of the International Baby Chick Association, and W. J. Buss, former chief of poultry at the Ohio Experiment Station as speakers of the evening. It is expected that practically every large hatchery in Indiana will have a representative at this conference.

The program for the second day covers many lines of work. Professor Phillips of Purdue and Frank Platt of Chicago will continue the production judging laboratory. C. W. Carriek of Purdue will tell of the experimental work in feeding vitamins to chicks—new work in a new field. A. B. Dann, poultry housing expert, will discuss poultry house ventilation.

Dr. M. A. Jull of Washington, D. C., in charge of the poultry division of the U. S. Department of Agricultural and T. F. Rigg, president of the American Poultry Association, will appear on the Thursday program. The conference will close with the big annual banquet which in the past has been a big feature of the convention.

The educational part of the program is in charge of the Poultry Department of Purdue University and all sessions with the exception of the two night meetings will be held on the Purdue campus. Further details of this meeting can be secured from the association secretary, LeRoy L. Jones, care Purdue University, Lafayette, Indiana.

Mrs. Basil Gilmore, of Anderson will spend this week visiting her sister and brother-in-law Mr. and Mrs. William McDonald. Mr. McDonald is proprietor of the Greencastle Battery Company.

INDIANA SECOND IN PRODUCTION OF MOTOR CARS

RANKS THIRD IN THE MANUFACTURE OF STEEL FORGINGS—IS SECOND IN PRODUCTION OF CEMENT

Although Indiana is thirty seventh state in size, it ranks says the Hand Book of Indiana Geology just issued by the state conservation, second in the production of automobiles and cement; third in production of forgings; fourth in coke; fifth in coal; brick and tile and in railroad cars and repairs; sixth in corn acreage and in value of canned products; seventh in value of animals sold or slaughtered and in oats production; eighth in the gross value of farm products of flour and grist mills; ninth in the value added by manufacture and in the products of the meat packing industry.

If allowance is made for Indiana's comparatively small size, she ranks notably higher in several of these enterprises and is second in automobiles, cement and flour and grist mill products, third in steel forgings etc., and corn and wheat production and in animals sold and slaughtered; fourth in the gross value of farm products of crops and livestock, of oats, of coke and in the canning industry; fifth in meat packing and coal mining; eighth and thirteenth in foreign products.

DANVILLE HIGH HAS THREE PUTNAM GAMES ON BASKET BALL SCHEDULE

The Danville High School Basketball Team will play three games with Putnam County teams, according to the schedule which it has just announced. The games are: October 26, Bainbridge, there; November 23, Roachdale, home; January 4, Roachdale, there.

HARVE GORHAM OBJECTS TO DISPLAY OF ARMS BY OFFICERS MAKING SEARCH

Harve Gorham, south Greencastle, has handed the Herald a communication in which he objects to the methods pursued by local officers, Thursday, October 4, in a search of his premises.

Gorham in his letter says that the officers searched without a search warrant although he is physically unable to offer resistance, he was threatened with a "billy club" and was "covered" by a revolver during the time of the search.

Gorham says he did not object to the search; that nothing was found but that he does object to the action of the officers "wild west" methods of displaying firearms.

COACH RHEA MUST BUILD A NEW TEAM

LOSS BY GRADUATION, LAST SPRING, OF ALL EXCEPT ONE, OF THE REGULAR BASKETBALL MEN LEAVES BIG JOB TO HIGH SCHOOL ATHLETIC DIRECTOR

With the High School basketball practice now in its second week, the line-up of the 1923-1924 team is much of a mystery.

With the loss last commencement of virtually every member of the first team, Coach Rhea has on his hands the building of an entirely new team. Richard Taylor, back guard; Bayard Allen, center; Arthur Nevins floor guard; Charley Foster and Frank Christopher, forwards all first team men, were lost by graduation. "Mike" Black, also a forward on the first team, is the only regular left. Stanley Young and Edward Duncan, substitutes last year, and the majority of the second team men are available. Although a large squad is working out each day under Coach Rhea, he is unable at this time to give any definite idea of his first team line up. The first game of the season will be played with the Clayton High School team, on the local floor, Friday, November 2.

Upon the showing of the local boys in this game will probably depend permanent make up of the regular squad.

ADDITIONAL LOCALS

Arthur Hurst, barber in John's Barber Shop, has been confined to his home for the past two days suffering of a severe cold.

Mr. and Mrs. S. C. Prevo, of Terre Haute accompanied by their sons Gordon Prevo and Edgar Prevo, of Greencastle, are motoring to Chicago today for a short visit with Mr. and Mrs. Prevo's daughter, Mrs. H. D. Irwin.

Mrs. Richard Houck, 605 South Bloomington Street fell and broke her hip Tuesday morning. Her condition is reported serious. Dr. C. T. Zaring was called and reduced the fracture.

John Simison of Romney, Ind. who has been visiting Mr. and Mrs. S. C. Prevo, has returned to his home.

Miss Agnes Hodge, who lives near Belle Union, has returned from an extended visit in Montana. While there she visited her uncle grandson and Frank Hodge.

Prof. and Mrs. F. T. Carelton, and Prof. and Mrs. H. B. Longdon motored to Brown County and visited with relatives and friends over the week end. On their return home they visited Mrs. Longden's brother, Grafton Johnson and Mrs. Johnson at Greencastle. Mr. Johnson has several pet bears and while playing with one Prof. Longden received a deep scratch on one of his hands. The bear became slightly angered at the presence of strangers and showed his dislike by scratching Prof. Longden.

Vernon W. Shirley, South Jackson Street an employee of Mullins Drug Store, is confined to his home, by a severe attack of grippe.

RECALLED DAYS OF RED "LIKUR" AT 5 CENTS PINT

MUSEUM TRAIN BROUGHT BACK MEMORIES OF HAPPY DAYS TO SOME COVINGTONIANS

COVINGTON, Oct. 7.—A large crowd was in waiting to greet the Big Four railroad museum train with its numerous object lesson in the evolution of the locomotive and cars which pulled into the Covington yards about 8 o'clock Friday morning. A large crowd of country people were in attendance, and the city schools of nearly eight hundred kids came in one procession and for more than two hours a half dozen railroad men found themselves teaching school which they performed with interesting skill both in geography and mechanics. But the DeWitt Clinton engine and coach received the special attention of all and when the professor told of the bride on her honeymoon, writing home that traveling at the wonderful speed of twelve miles an hour and the wind simply whipped her traveling costume into shreds, the flappers and joy riders giggled and when he informed the crowd that in the absence of heating apparatus in the coaches the company had issued "jiggers" of Santa Cruz rum to each passenger at regular hours to keep him warm, we noted a "dry" smile on the faces of many old-timers who no doubt were wishing for the good old days of DeWitt Clinton, when you could get a pint of red liquor anywhere for five cents.

NOT HAVING LESS SNOWFALL SAYS THE WEATHER BUREAU

"No, we are not having lighter snowfalls than when grandfather was a boy," says the Weather Bureau of the United States Department of Agriculture, "nor are we having appreciably greater ones." When some reminiscent relative remarks, "We do not have the big snows nowadays that we did when I was a boy, and I don't think we will ever have them again," one may answer with conviction that the records of the Weather Bureau tell another story. As a matter of fact, the deep snow remembered by the man who was a boy in the seventies or eighties probably reached that boy's shoulders, but would be less than knee-high with his present stature. Again, many men who now live in cities were brought up in the country, where large drifts are piled up when the wind has full sweep over the prairies.

Records at Springfield, Ill., dating from 1884, show the greatest fall on record, 43 inches, to have occurred in the winter of 1913-1914. January of 1918 was the most severe winter in the climatological history of Illinois, both for low temperature and heavy snowfall, combined with heavy winds. At Albany and New York the snowiest winter occurred more than 30 years ago, but there have been 6 winters with more snow than fell in 1922-1923. Records at New Haven, Conn. seem to indicate a gradual falling off in snowfall, yet the heaviest record occurred in the winter of 1915-1916. Last winter the total was 19 inches above normal. Those who believe the climate is changing will take comfort in learning that the greatest seasonal snowfall on record at Boston, Mass., (96.4 inches) was in 1873-1874, but the winter with the least snow, (5.3 inches) was only 2 years later. At Portland, Me. the greatest snowfall for a winter, (125.5 inches, occurred in 1886-1887, but last winter, with but one-half inch less, was next in amount. In the West we find that Cheyenne's winter of least snow was in 1885-1886, and the greatest some 19 years later. The greatest snowfall at Salt Lake City occurred in 1916-1917, and the second third, and fourth, since then. Viewing the subject in a broad way, one is led to conclude that there will undoubtedly be heavy snows in the years to come just as there have been in the past, and it is probable that present records will be exceeded in many places.

WANT ADS. IN THE HERALD PAY

Your Opportunity

This is your opportunity to place a *New 1923 Model Great Majestic Range* in your kitchen at a real bargain. By all means don't fail to see the New MODEL MAJESTIC—it's the last word in modern range construction. Many, many improvements have been added to this already famous range and its graceful stream line beauty will please you immensely. Make it your business to drop in our store at least one day during our

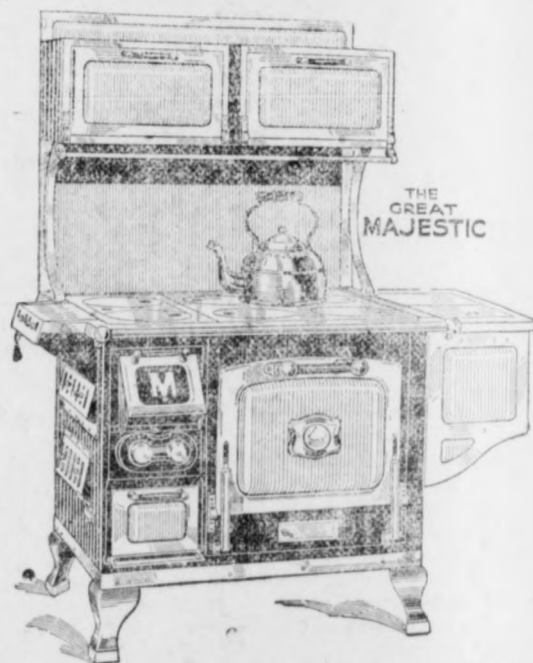

Special Exhibit and Sale of

Great Majestic Ranges

ONE WEEK ONLY

Monday, Oct. 15th to Oct. 20th

Ask your friends and neighbors to come with you—we are so delighted with the New Model MAJESTIC that we want everyone to see it. Come whether you buy or not. Let the factory representative, who will be with us all week, show you just how the MAJESTIC is made—inside and outside—show you the true reasons why this wonderful range performs, looks and lasts so much better than other ranges.

We Are Offering You This Week

the biggest bargain ever offered you to close our year as a banner gas stove season. Just consider—a beautiful electric table lamp given FREE with every TAPPAN gas range sold this week. The lamp ordinarily retails at \$14.95 and anyone desiring one of them without purchasing a range will be required to pay this price. See these lamps in our window and better yet come in and look them over carefully.

Our easy payment plan will also interest you. A \$5.00 down payment is all that's necessary and the balance arranged to suit your convenience

Don't forget the dates—Oct. 8 to 13—and the attractive table lamp.

Yours for better cooking,

Greencastle Gas & Electric
Light Co.

GREENCASTLE, INDIANA

Let the factory representative give you the opinion of an experienced expert. He will show you the many features of the new MAJESTIC that have gained for it the proud position of being the most dependable and beautiful range in America.

Reputation in a range is something to be carefully considered before buying, for reputation is made up of tests successfully passed.

Choose the style of new MAJESTIC that meets your individual need and preference, the practical, durable economic and matchless cooking qualities that have always distinguished the MAJESTIC, ranges are the same in every type. In addition to its superior working qualities, the new MAJESTIC, by its handsome design and graceful artistic appearance, gives a touch of beauty to any kitchen. It is not only the best range to work with, it is the best to live with.

FREE---During This Exhibit ONLY

Look at these two fine sets of cooking utensils! Either set may be yours absolutely without cost, just for deciding to buy your Great Majestic Range this week instead of later.

Polished Solid Copper Set

The set illustrated to left is of pure heavy copper highly polished and of exquisite design. Every woman falls in love with it on sight—don't fail to drop in and see it.

Special Majestic Ware

This wonderfully serviceable ware illustrated below, is well known by thousands and thousands of Majestic Range users, it is the highly prized, extra heavy, old time Majestic Set, the same as furnished before the war.

WEBER WAGONS

If you want a good, light running farm wagon, let us
sell you a Weber.
We have one here that we will gladly show you.
The light running feature of the Weber is one of its
excellent points.
You know that horseflesh costs money.
A Weber wagon is so light running that this feature is
favorably commented upon everywhere.
The wheels, the gears, and boxes are made of good
material and properly ironed.

This excellent construction enables them to withstand
the severe usage encountered on the farm.
Weber wagons are so well built, in fact, that after years
of service a farmer still has good words for his Weber wagon.
Call on us at once.
If you are not in need of a wagon at present, it will pay
you to investigate the Weber and be ready when the time
comes.

CLOVERDALE NEWS (Continued from Page 4)

Era Wingert went to Crawfordsville Monday after his grandmother, Mrs. Howard Hart. Mrs. Hart has been making her home at the Wm. Wingert home here but was visiting her daughters Mrs. Wingert at Crawfordsville where she became ill and was brought back to her home here today. Her condition is believed not to be serious.

Mrs. John Kennedy near Amity, suffered painful injuries Thursday night when the Ford she was attempting to crank, back-fired and caused the starting crank to break both bones of the right arm. She was rushed to Cloverdale where the fracture was reduced by Dr. Prichard. She was recovering nicely Monday.

HIGH SCHOOL NOTES

At a Basket Ball meeting held Friday at noon Emery Lee Cline was elected captain of our team this year.

Mr. Marshall will be at our school Tuesday morning to present Sheridans "The Rivals". This is Mr. Marshall's third time here and a good program is expected.

Report Cards were given out Monday morning for the first months work. The attendance, grades and deportment were very satisfactory.

Teachers Association rhymes with Pupils Vacation. Heres hoping the faculty vote to go.

The bi-weekly teachers meeting was held Monday after dismissal. Mr. Hurst came in the assembly room and changed the seating of the Seniors. Just wait Juniors you're next.

The Botany Class and their teacher, Mr. Segelken went on an excursion Thursday the last two periods.

Prof. F. G. Hurst and Coach Cochenour attended the Basketball Clinic at Greencastle Thursday evening.

The Basket Ball schedule for this year has been completed. It is as follows:

Oct. 26 — Russellville — There.
Nov. 2 — Reelsville — Here

Nov. 9 — Roachdale — There.
Nov. 16 — Eminence — Here.
Nov. 23 — Spencer — There.
Nov. 28 — Monrovia — Here.
Dec. 7 — Paragon — There.
Dec. 14 — Fillmore — Here.
Dec. 21 — Russellville — Here.
Dec. 24 — Monrovia — There.
Dec. 28 — Jefferson — Here.
Jan. 5 — Inv. Tourney — Here
Jan. 11 — Paragon — Here
Jan. 18 — Roachdale — Here.
Jan. 25 — Fillmore — There
Jan. 26 — Clinton Center — Here
Feb. 2 — County Tourney.
Feb. 8 — Greencastle — There.
Feb. 15 — Spencer — Here.
Feb. 22 — Eminence — There.

Cloverdale and News About

CLOVERDALE NEWS

The 18 months-old baby of Mr. and Mrs. Wm. Walker suffered a broken right leg Saturday when it fell from the barn loft. Mr. and Mrs. Walker had left the child in charge of the older children while they were away from home for a short time. When they had returned the accident had occurred. It is thought the older child had helped the child into the loft.

Mrs. Matilda Morgan, age 81 years died at the home of her daughter, Mrs. John Oliver south of Putnamville, of acute indigestion, on Friday

night. The body was taken to Indianapolis for interment.

Daniel Way of Quincy underwent an operation for the removal of adenoids and polyps Monday morning. Dr. Hurst performed the operation.

Mrs. Charles Amers is seriously ill at her home near Poland.

Arthur Herrod and family of Fillmore were Sunday visitors with Dr. and Mrs. E. M. Hurst.

Bernard Broadstreet who has been seriously ill is able to be up and around his home. Mr. Broadstreet suffered a nervous breakdown last Saturday night.

Mr. and Mrs. Merritt Rogers of Louisville, Kentucky are visiting friends and relatives here this week.

Jerry Long who has been confined to his home by illness the past two weeks was able to be up town on Monday afternoon.

Earl Lynch of New Richmond and A. R. York were in Indianapolis Monday on business.

L. L. Runyan has installed a gasoline filling station in front of his store on Main street. The station was put in operation today.

Mrs. Dan Nickerson who has been visiting relatives and friends here this summer returned to her home in Maryland, Monday.

Louis Morrison who has been undergoing examination at the Mayo Bros. Hospital at Rochester, Minnesota, the past three weeks returned to his home here Sunday.

Mr. and Mrs. A. R. York spent Sunday with Mr. and Mrs. Earl Lynch at New Richmond.

Special Demonstration

OF THE

COPPER-CLAD

..The..

World's Greatest Range

at our store

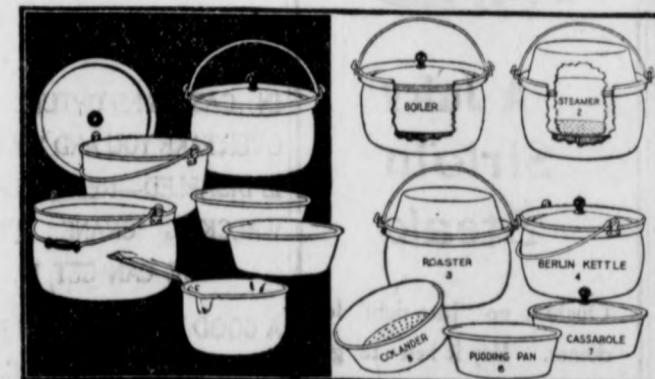

WEEK OF OCTOBER 15 to 20th

The Copper-Clad Crank—a special factory representative—will be here during the week mentioned above to show and explain the many Copper-Clad exclusive features. He will explain about range rust and the pure sheet copper lining in Copper-Clads. He will tell in detail just why Copper-Clad owners must be "Range Happy" folks.

SEE ASBESTOS SWEAT!!

No matter whether you want a range now or next year, or any other time, it will pay you to come and see the Copper-Clad Crank make Asbestos Sweat. He takes any piece of Asbestos puts it between two iron plates—heats it—and shows you sweat. You can roll it up in drops with your finger. You can see for yourself WHY ranges rust out. Then you will KNOW why the pure sheet copper lining in Copper-Clad adds many years to its life.

REMEMBER THE DATE

FREE ALUMINUM WARE

"Free" means that this ware does not cost Copper-Clad buyers a single penny. It is a reward for buying while the Copper-Clad Crank is here. This ware is very substantial and just the kind that you would select if buying for your own use. The 7-in-1 convertible cooker takes the place of seven different vessels, as shown by figures 1, 2, 3, 4, 6, 6 and 7. You will find us for this utensil every day.

Cloverdale Hdw. & Lumber Co.
CLOVERDALE

Yes, the time is nigh to buy your Fall and Winter Supply

and we have complete stock of everything in our line with prices to suit the times. Wagon boxes, Scoop boards and Scoop Shovels. Don't fail to see our \$3.50 Scoop Board. It's a "World Beater."

Also Stove Pipe at 15c per joint while the present stock lasts.

A large line of Heating Stoves for coal or wood \$4.50 and up

Cook Stoves and Ranges \$40.00 and up

A Parlor Pipeless Furnace

A WONDERFUL heating plant that requires no basement.

Cuts Down the Fuel Bill!

Placed in your parlor, hall or living room, this handsome ALLEN'S Parlor Furnace will keep adjoining rooms comfortably warm. Like a pipeless furnace, it causes a constant circulation of warm, healthful air so that farthest corners are warmed and an even temperature is maintained thruout.

The ALLEN Furnace completely consumes all gas and smoke, which means that none of your fuel escapes up the chimney. The rim-fire, hot-blast fire pot of the ALLEN Furnace will cut your fuel bill one-third.

If you want an efficient heating plant that requires no expense of installing, it will pay you to investigate the ALLEN Furnace.
